RECOGNITION OF APEX 40

Apex 40 was well represented at the recent Zone 12 Convention
held at Morwell on Oct. 12-14. You will be pleased to know
that our agenda item -

"That this Zone recognizes Apex 40"
was, after discussion, unanimously carried by the Delegates.
At the psychological moment Lionel Mussell and Owen Ballinger
rose to their feet and sang Auld Lang Syne, which did not help
the smooth running of Z.P. Rollo Manning's Convention.
Concurrently with the Convention Saturday Lunch, Apex 40
members also held a luncheon. Our Luncheon lasted for 3 hours,
compared with the 1 hour allocated on the Convention Programme.
Members present Lionel Mussell, Owen Ballinger, Fred Margetts,
and families Ritchies, Garretts, Saunders, Glovers, Kinders,
McInness and Frazers.

Following the Convention, Zone 12 Board has, by means of a
Standing Order, officially recognized Apex 40 as an Auxillary
Body of Apex.
