LAST DINNER: It was a marvelous night for many reasons, the fellowship was tremendous, the fines session was hilarious (of course after the Rort what else could you expect). To make the night complete, Martin & Win Hopper called in to give us the wonderful news about their daughter Sue, for those of you that don't know, Sue was critically injured in an accident, but with the love, devotion and praying of many people, she is now on the way to recovery.

1981 Rort at Maryborough, Queensland: Planning is under way for the coach trip to Maryborough for the 1981 Rort over the Queen's Birthday weekend. We have worked out a draft itinerary leaving Melbourne on the Sunday before the long weekend and arriving back on the following Saturday. The itinerary is arranged to enable us to pick up Rorters at Bendigo and at Wollongong if necessary to fill the bus.
