All members who attended the last dinner at the Sun Wah know what a good time we all had . So book early and start the New Year with a great get together.

Fifty four members attended our Christmas Dinner at Box Hill Golf Club . Sorry about the live entertainment but it was beyond our control. Someone removed the insides of the piano ,and forgot to return them. Anyway judging by the chatter the singer wasn't missed.

KINDER KLASSIC: The 1987 "KINDER KLASSIC" Golf Event was held on Monday 28th December at Latrobe Golf Club, Alphington with some 14 golfers entering ~~this~~ prestigious tournament. Weather conditions were good, but the excessive Xmas festivities were seen to be the main handicap. Early favourite at the infamous "lunch" break was Colin Speirs, with Sam Mc Innes hanging in. Chas Burgess was also looking good. The lunch is a great leveller, depending on the amount ( and colour ) of the liquid intake. The sweepstakes were "on" between Lionel Mussell and Neil Hookey and the highest points worth the ever-loving bottle of red. After a solid afternoon's play Sam Mc Innes won his first KINDER KLASSIC by 2 points (38) from Colin Speirs (36), with Chas Burgess in third place (34). Neil Hookey survived a "protest" by Lionel Mussell to snatch the bottle of red. Geoff Angus took out the "NAGA" award- fairly comfortably. A good day was had by all, and thanks go to the generosity of the sponsors for the awards.
