Last Dinner: A most enjoyable evening was held at the BoxHill Golf Club. Our numbers were down to 42 -- why did you stay away? Were you afraid of being elected. You needn't have worried -- Lorraine and I were back in Office before we had time to blink. We have sent a donation of \$50 to Esperance Apex Club together with a nomination for me to be a member of the "Universal Mumlbers Society". What cheek! I'm just a soft-voiced genteel lady.

-----  
It was reported that at a recent meeting of Apex National Board the following comment was made -- "A little known organisation is APEX 40. The organisation is a loose knit collection of clubs (numbering some 30 in total) whose members are recently retired Apexians. Apart from meeting periodically to enjoy fellowship, the APEX 40 organisation has donated a total of nearly \$4,000 to our Bushfire Appeal." (We're being recognised at last.)

1984 RORT - DEVENPORT - Friday evening May 11th to Sunday May 13th  
Why not make it a holiday in Tassie and experience the THRILL of winning at the Hobart or Launceston Casino? seeing the magnificent mountain, rural and coastal scenery, or pulling your foot from a bog at the discontinued South West dam site! For those going for the weekend it is envisaged travelling Mel/Devenport on Friday evening arriving about 8.00p.m. returning to Melbourne on Sunday about 4.00p.m. If going earlier there are plenty of flights or you may like to be seasick on the "Empress of Australia".

To all of those who won't be at the dinner Lorraine and I would like to wish you a very merry Christmas and a Happy and Prosperous New Year. Take care on the roads -- we want to see you next year. Hope to hold our first dinner at Karinya Lodge on Wednesday 15th February, 1984

Cheerio for now
