LAST GET TOGETHER was a most enjoyable weekend at Mansfield. The Dicks and Margetts were great hosts and 22 people attended. The Sunday tour was great except Don didn't realise he was the only person with a 4 wheel drive some of the tracks were a bit hairy. The meal at Tatong was excellent, reasonably priced in very comfortable surrounds. Monday's pre-departure BBQ was at Fred and Leila's due to the inclement weather. Everyone expresses their thanks to both couples for a well organised weekend. Jeannie Reid took out the potted rose bush for the golf and some people rose

"THE RORT" Keith Haymes is becoming very frustrated trying to organise the flight over, etc. Bookings and payment in full must be made at this dinner, so bring your cheque books and see Keith. At this time it is proposed to fly out 30th May at 10.45 am, returning from Perth 8th June at 11.40 am. Expected cost is \$443.60 per person - a definite cost at this dinner and bookings must be confirmed on this night with money.

At this stage no plans have been made for May/June as a number of people

will be at the Rort and I will be on Long Service Leave for most of May and all June. We will need to discuss plans at this meeting.

After completing the first hole at Mansfield Lionel Massell was heard to say to Martin Hopper "That was fun. Shall we play again next year?"

OLD AGE A time when a man sees a pretty girl and it arouses his memory instead of his hopes.

By the way Lorraine has had her operation and at the time of writing she is making steady progress in the Mercy Hospital. We all hope you are home and fighting fit again soon.

WANTED URGENTLY 2 only old single bed sheets to wrap the meat in for cooking.
