The following is Don Ferguson's reply --

"Dear Lionel,

It was indeed a pleasure to receive your letter and advice on the promotion and progress of Apex 40. It is indeed a most exciting development, and I will raise the matter at our Administration Meeting on Friday 23rd August.

You have my assurance that I will do all possible to promote the idea, and my intention with the discussions at the Admin. meeting will be to have all present conversant with the concept and to give it their full support.

A copy of this letter will go to Noel Turnbull, as will a copy of your introduction pamphlet. I suggest you make contact with Noel Turnbull, whose address is Bayview Terrace, Wavell Heights, Brisbane 4012, so that he may give you publicity with my endorsement.

Best Wishes to you for future success, and thank you for your advice."
