## PAST EVENTS

Our last dinner at Chisholm Institute was attended by 45 members and as usual was excellent night of fellowship in spite of some folks' having trouble finding a parking spot.

Twenty-one members journeyed to Bendigo on 13th and 14th September for our annual golf and fellowship weekend. We finally managed to lose that "Boot" to Bendigo but it was unanimously agreed that the Stanford family are to be swabbed before the next event. We've threatened to invite Bob to the next "Kinder Klassic" to see if he can play on a golf course. Once again Bendigo treated us very well - a counter tea at the Brian Burey Hotel then back to Clarkes for coffee and port and finally a great BBQ lunch after the golf. Thanks to Ruth and Ron Milner for organising a most enjoyable weekend.

## SICK LIST

Donald Dick has not been feeling the best of late but a short spell in

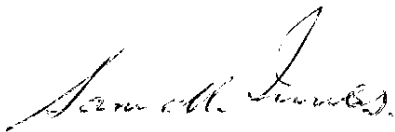

Wangaratta Hospital has him "sparking" again. Mary Cunliffe has also had a gall stone removed recently but is now on the improve and we hope to see both couples at our Xmas Dinner - hope it's not the "English disease".

Well, this dinner sees a new Secretary and President take over as John and I have served our two years penance. It is I believe the ladies' turn again to take over the helm.

Did you hear about the elephant who drank so much he started seeing pink people? or the worst thing about getting old is listening to the children's advice.

Lorraine to Charlie - the night before last you came home yesterday. Last night you came home today. This evening, if you come home tomorrow I'll be at golf - yuk!

And now it's a fond farewell from my last notice.

A handwritten signature in cursive script, appearing to read "Sam McInnes".
